

Homework Classical Physics, Fall 2023

Prof. J. Fritz, Research III Room 56, jfritz@constructor.university.de

Problem Set 03.1 (L05 & L06)

Due on Thursday, 28. September 2023, at 09:30 (in the morning!)

(= Deadline for submitting a pdf file with solution)

Mechanics - Force and acceleration (4 points)

Two bodies are connected by a massless rope. Neglect any friction of the body on the plane or the rope around the roll. Calculate the acceleration of the two bodies and the force which is applied to the bodies by the rope.
